ABOUT

Full-stack developer with First-Class Honors in Computer Science. Building multi-feature web applications covering authentication, payments, and role-based systems. Currently expanding into mobile development and applied AI through Ascentic's AI Launchpad program.

SKILLS

- **Languages:** JavaScript/TypeScript, Python, Java, PHP, C#, HTML5, CSS3
- **Frontend:** React, Tailwind CSS, Bootstrap, Axios, Responsive UI Design
- **Backend:** Node.js, Express.js, REST APIs, Authentication
- **Databases & Query:** MySQL, PostgreSQL, Supabase, MS SQL Server, Oracle DB (PL/SQL)
- **Dev Tools:** Git/GitHub, Postman, VS Code, NPM/Yarn, Vercel, Render
- **Data & Analytics:** Power BI, Pandas, Matplotlib, Seaborn
- **Project Management:** Notion, Linear
- **Diagramming:** Excalidraw, Draw.io
- **Currently learning:** Flutter, TensorFlow lite, applied/agent AI (via Ascentic's AI Launchpad)

PROJECTS

SmartDrive Driving School Management App – ReactJS, Tailwind CSS, Node JS (Express JS), Supabase

Building a full-stack driving school management application covering role-based access control for students, instructors, and admins. Includes a scheduling and LMS module, automated notifications via SendGrid and Twilio, and PayPal payment integration. *(In Progress)*

Fundr Crowdsourced Fundraising App – ReactJS, Tailwind CSS, Node JS (Express JS), Supabase

Led a 5-person team to build a crowdsourced fundraising web app for the final-year Software Development Project (SDP) module. Designed the database schema and implemented CRUD operations, PayPal payment integration, email authentication, and campaign management workflow.

eHab Hackathon-Winning Mental Health App Prototype - Figma, PowerPoint

As part of a team, prototyped a mental health app that illustrates assessments, mood tracking, support groups, and educational resources. Conducted research and UI/UX design. Presented concept and wireframes at inter-campus hackathon (Winner).

EDUCATION

Bachelor of Science (Honors) in Computer Science Kingston University Kingston Upon Thames, United Kingdom	First-Class Honors September 2025
Postgraduate Diploma in Professional Marketing (Level 7)* Chartered Institute of Marketing (CIM) Berkshire, United Kingdom	Merit March 2024

**Gained grounding in strategic analysis, market research, and structured problem-solving – skills that carry directly into product-minded software development.*
